ORDER ON DECEMBER 11, 2013, TELEPHONIC STATUS CONFERENCE AND ORDER SETTING SETTLEMENT CONFERENCE AND RELATED DEADLINES

Parties appeared by counsel December 11, 2013, for a telephonic status conference.

Discussion held regarding discovery, settlement, and related matters. Defendant shall serve a settlement response, and provide a copy to the Magistrate Judge, by January 3, 2014.

This matter is set for a settlement conference at 9 a.m. on February 3, 2014, in Room 234, United States Courthouse, 46 East Ohio Street, Indianapolis, Indiana, before Magistrate Judge Tim A. Baker. Unless excused by order of the Court, clients must appear in-person at the settlement conference along with counsel. With respect to corporate, governmental, and other organizational entities, an authorized client representative with authority to negotiate and communicate a settlement must appear in-person at the settlement conference along with their counsel. Under no circumstances will counsel of record be deemed to be the proper client representative for settlement purposes. Any insurance company that is a party, or is contractually required to defend or indemnify any party, in whole or in part,

must also have a fully authorized settlement representative present at the conference. **All persons entering the United States Courthouse must have photo identification.**

Client representatives for all parties must have final settlement authority without consulting someone else who is not present. This means that parties should not need or expect to contact others, who are not present at the conference, to discuss or modify settlement authority. If such a person exists who would need to be consulted, that party must be present at the settlement conference. The Court recognizes that for some corporate and governmental entities, and a limited number of other organizational entities with multi-layered approval procedures, additional approvals may be required to formally approve a settlement. However, parties and their counsel in these limited situations must exercise all possible good faith efforts to ensure that the representative(s) present at the settlement conference provides the maximum feasible authority and the best possible opportunity to resolve the case. No other persons are permitted to attend the settlement conference without leave of Court.

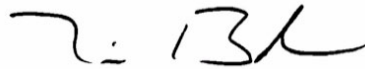

Three business days before the scheduled conference, the parties shall submit (not file) to the Magistrate Judge a confidential settlement statement setting forth a brief statement of: (1) relevant facts, including any key facts that the party believes are admitted or in dispute; (2) damages, including any applicable back pay, mitigation, compensatory and/or punitive damages, or any other special damages; and (3) any pending or anticipated dispositive or other substantive motions. **The confidential settlement statement should not exceed five, double-spaced pages, and submission of exhibits should be kept to a minimum.**

No later than fourteen days prior to the settlement conference, Plaintiff(s) shall serve an updated settlement demand on Defendant(s), who shall serve an updated response no later than seven days before the settlement conference. The parties shall submit (not

file) to the Magistrate Judge courtesy copies of their respective demand and response at the time of service. Counsel may submit confidential settlement statements and copies of their settlement demand/response to the undersigned via mail, fax (317-229-3664) or email (MJBaker@insd.uscourts.gov).

A request to vacate or continue the settlement conference or otherwise depart from this order shall be done by motion filed with the Court **two weeks** prior to the conference, except in exigent circumstances. Such motion will be granted only for good cause. Failure to comply with any of the provisions in this order may result in sanctions.
